

Specifications

SKU: 18043

Weight: 0.33

Width: 2.75

Depth: 0.03

Height: 11.75

Blade Material: DEXSTEEL®
Stain-Free High Carbon Steel

Blade Type: Stiff, Curved

Edge Style: Straught

Product Number: P3A-PCP

Product Details

Crafted from DEXSTEEL®

Blade is fully crafted out of our proprietary, American DEXSTEEL®, which provides strength, durability, and corrosion resistance

Enhanced Grain Structure

Blade is heat-treated and cooled to precise temperatures to enhance grain structure and maximize performance

Made in the U.S.A.

Made in the United States of America

Washing Instructions

Hand-washing and sanitizing is recommended to best preserve the blade

ECOGRIP®

Handle is engineered from 100% recycled plastic. Packaging is also engineered with 100% recycled materials

Individually Ground Blade

Individually honed and ground blade ensures the highest sharpness

SANI-SAFE® Handle

Flawless blade to handle seal protects against contamination
