# WATCHDOG CONCESSION EQUIPMENT DEGREASER

**WATCHDOG™ CONCESSION EQUIPMENT DEGREASER** brings a new dimension to concession equipment sanitation. The easy-to-use spray foam is work-made-easy through chemistry. May be used on most surfaces including acrylics, aluminum, chrome, Formica, most painted metal, some plastics, stainless steel. Penetrating foam action removes grease, oil, and grime from surfaces exposed to extremely cold and hot temperatures. Exclusive formula is specifically designed to work outside the temperature range of typical products.

| SPECS: | |
|---|---|
| Can Size | 20 OZ. |
| Can Weight | 19 OZ. |
| Case Count | 12 cans |
| Product Number | 2580 |
| **REGULATORY:** | |
| Recyclable Package | Yes |
| VOC Compliant CARB: | Yes |
| VOC Compliant OTC: | Yes |
| Flammable: | Not required to be labeled as flammable |

# WATCHDOG STAINLESS STEEL CLEANER & POLISH

**WATCHDOG™ STAINLESS STEEL CLEANER & POLISH** is a water-based formula used for cleaning and polishing stainless steel, chrome, copper, aluminum, brass, and other metal surfaces. It is a water-in-oil emulsion, where the oil surrounds the water and contacts the surface to be cleaned first. This allows the product to act like a solvent (oil based) system while not having it's oiliness or flammability. Watchdog™ is ideally suited for the use in food preparation areas on non-food contact surfaces, where the odor of aromatic solvents would be objectionable. This pleasantly-smelling product cuts through grease and oil while leaving a protective shine.
