

Why Sno-Kones®?

Nothing beats the heat like the ice you eat – Sno-Kones! This cool treat combines refreshing bits of coarse ice with fun, flavorful syrups. For more than 70 years, Sno-Kone has been the household name for icy treats. Loved by all ages, snow cones are a guaranteed crowd pleaser!

Profitability

As a relatively low initial investment, Sno-Kones have reasonable startup costs. With affordable equipment and supplies, the result is high profitability. Cost per serving is typically less than 20¢ and profit margins can be as high as 94%!

Versatility

Sno-Kones are a welcome addition to any occasion! From birthday parties to amusement parks, carnivals, or trendy restaurants, you can find snow cones across all types of venues. Their wide-ranging appeal means a greater market reach for your business.

Ease of Use

There's no extensive training or specific skill sets required to operate a Sno-Kone machine. The intuitive design and simple instructions make operation and cleaning a breeze, even for beginners.

Portability

A lightweight and compact design lends itself to being easy to transport. If you are on-the-go, trust that your Sno-Kone machine will be ready to go whenever and wherever you need it!

Customizable

From cherry to blue raspberry, lime to grape, the flavor possibilities for snow cones are virtually endless. Take it to the next level by adding ice cream or condensed milk. (Get inspired with our frozen treats recipes.) There is total flexibility to create a custom menu that will give you an edge over the competition.

Fun Factor

There's something inherently joyful about Sno-Kones. Offering snow cones adds an element of delight and nostalgia to any event. Customers emotionally connect with the experience, which not only makes for great memories, but also encourages repeat visits.
